

This is a wish ticket
just for you.

It fell out of the sky, because it was
time for it to come true.

A wish to be granted whether you are
feeling happy or blue.

Keep it for yourself or pass it on...

Just know, there is nothing wrong with
magic and whimsy and feeling youthful in
your soul forever and ever.

Why, just embracing that thought makes
you extra clever.

The Moon and the clouds and fairies
singing aloud are extra proud, because
there is someone like you, who still
believes...
